Friday 1<sup>st</sup> December 2023

Dear Parents/Carers

It has been a very busy term so far and we have lots of lovely exciting things planned for the students over the next few weeks.

As you are aware Ofsted visited the school for 2 days last week. We had Senior HMI inspector Phil Garnham here with us leading the inspection, he was joined by a second inspector, David Lloyd on Day 1. They were here to conduct an ungraded inspection to confirm we are still an outstanding school. The process is very rigorous and they had a packed timetable across the time they were here. As soon as the report is ready to be published I will write to you and let you know. Thank you, as always, for your ongoing support.

We are looking forward to our first family swim session at Waters Road hydro pool this Sunday. We will be running the session monthly, look out for the next date in January if you are interested in booking in.

Thank you for your views on the playground designs, we have taken these to the whole school community, including students, staff and governors, and will update you when we are further along in the process.

It was great to see so many of you at the workshop run by the Educational Psychologist linked to Greenvale. Based on your feedback, in the new year, we will be running one with the school nurse on puberty and one with our Occupational Therapist on sensory differences.

We hope to see as many of you as possible in school at our celebration events over the next few weeks.

Kind regards

Katie Denton  
Headteacher
